type or paste
password

leave
empty

Download platform, use Host address: 149.210.180.14

Here you will find the image-map and the data-map.

Images, use Host address: 149.210.180.14/afbeeldingen/

This is the direct link to the images-map. You can download the pictures per item, or you can download all images at once, using the ZIP-files at the bottom of the map.

Article file, use Host address: 149.210.180.14/documenten/

Here you can download the article file in Excel: 'Data.xlsx' or CSV: 'Data.csv'.

Article file and pricelist: https://www.partyxplosion.eu/en_us/downloads/

The Excel price list and the article file can be downloaded from our website. The article file will be updated daily.

Catalogs, use Host address: 149.210.180.14/documenten/

Here you can download our costume, accessory or make-up catalog.
